Dear Partners,

July 2017

Happy Birthday America! We are so blessed to live in a free country, serve the Living God, and share Jesus with the lost and hurting! But more than living in this beautiful country that we call the land of the free and home of the brave, we have received FREEDOM in Christ from bondage and oppression. We are no longer slaves to the law and fear, but we are FREE to live because of the price Jesus paid. We receive testimony's EVERY single day from people who have been set free because of your faithful support in this Ministry. **You make it possible for the lost and hurting to receive their own freedom** from depression, religious oppression, fear, physical pain, torment, and so many other forms of bondage. **We want to dedicate this newsletter to our partners. You make it possible for us to take the Gospel of Jesus to people all around the world; many of whom we will never meet this side of eternity.** We give God all the glory for it, but we extend our gratitude to you for your faithful financial support and endless prayers to the throne of God.

This month we want to share a few testimonies from people who searched after the truth and found it. We want to include their testimonies so that your faith may increase and your confidence in helping to spread the Word will boost! It is because of our partners that we can continue to keep the prayer line open 24/7, we can continue to produce programs as the Holy Spirit gives us inspiration, and continue to take the Gospel to remote places around the world. We must realize the importance of the Word of God going forth and **never returning void**. As we continue to take the Gospel forth, it will always yield fruit!

Isaiah 55:10-11 says this about the seed (the Word of God)

For as the rain comes down, and the snow from heaven, And do not return there, but water the earth, and make it bring forth and bud, that it may give seed to the sower and bread to the eater, So shall My word be that goes forth from My mouth; It shall not return to Me void, but it shall accomplish what I please, and it shall prosper in the thing for which I sent it.

A few weeks ago our grandchildren started a tower garden with some tomato and cucumber plants. They did this project together with their parents and when everything was planted they anointed the plants and prayed over them. With daily water and sunlight the plants began to flourish and are now budding flowers where the new crop will come in. Besides the tremendous plant growth, the kids noticed that the spiraling tendrils of the cucumber plant have started to coil around the stand in order to support its growth. The tiny tendrils of the stem started grasping the plant stand for support and began to hoist itself up towards the sun! When the kids saw this, they were amazed. Their response was, "no one told the plants what to do and they just did it." Their parents explained to them that God told the plants what to do one time when He created them and to this day they still know what to do (Gen 1:11)! If these plants know what to do from the time the seed is planted, then how much more does the Word of God that came out of the MOUTH of God know what to do?

The reason we wanted to share the story of our grandkids and their tower garden is because it shows us how simple it is to plant a seed and watch it grow. We have to have a childlike attitude of planting seeds and expecting the harvest like these kids did after they planted their seed. This is exactly how we need to plant seeds spiritually. The Lord put this on our heart to show us that we need to expect a harvest on every single seed that we have planted. One day it will flourish! It may not be immediately but we must have expectant hearts. You've heard us talk about how important it is to sow your seed in good ground. One thing we can be sure of is that the Word of God never returns void. No matter how, where, or when it was planted the Word of God always accomplishes what it was sent forth to do!

A few months ago we received a phone call from a dear lady in Romania that feeds herself spiritually on our YouTube programs. This is her only source of church and the Word because of the remote location she lives in. Her monthly income is very low but she felt that God was calling her to be part of this Ministry with her finances. She had been a

faithful sower into this Ministry for some time when she called us to tell us her request before the Lord. She told us that God is a faithful God and that her one request was to visit the Holy Land once in her lifetime. Just a few days ago she called us to give us the most amazing testimony. Someone called her to tell her that the Lord spoke to them to give her an ALL expense paid trip to Israel! The person that called her to offer this did not know her request, but Jesus did! He is faithful! He is faithful in small things and big things. To us a trip to Israel may not be a big thing but to her it was. The Lord honors the desires of our hearts; regardless of how big or small our desires are (Ps. 37:4). This is what we believe in our Ministry and what we believe for our supporters.

Just the other day we received a phone call from a viewer in Verona, Italy. She was surfing online and accidentally stumbled upon one of our YouTube programs with the exact title that she was searching the internet for. She listened to that program and continued watching other JMM programs for many days after. She eventually called our prayer line asking to receive Jesus in her life and become a born again believer.

Her life completely changed since she began feeding herself on our programs which ultimately led her decision to follow Jesus. There are no accidents with God! It was a divine appointment and it's because of your faithful support that she found her Savior!

This is one example of how the Word of God can touch people all over the world. We know without a doubt that it's not because of our "words" that she came to receive Jesus but because of the Word of the Living God. Hebrews 4:12 says, ***For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart.*** The Word of God is ALIVE and it came to life for this precious viewer because of your obedience to support JMM.

We receive so many testimonies from people who want to be free from religious oppression. These people are sick and tired of the religious obligations, customs and traditions that they must fulfill in order to get to heaven. Most of the time they aren't even sure if they will make it to heaven out of fear that they've missed an obligation somewhere along the line. The most recent example of this was about two weeks ago when we received a phone call on our prayer line from a man living in Romania. He had been a Jehovah Witness for 17 years of his life. He also stumbled upon our YouTube channel and began watching different programs. This went on for over a year! The Word of God became alive for him and he called to tell us that he desperately wanted that relationship with Jesus that he had heard John talk about at the end of every program. He felt like everything in his life had changed and there was something moving inside of him that he could not express into words. He asked for prayer to be free from the bondage and oppression that kept him bound for over 17 years while he was a Jehovah Witness. The seed that was planted into his heart did not return void! The Word of God accomplished what God had sent it to do! When the Word of God is activated it BECOMES life, it GIVES life and it will TRANSFORM life!

We've received thousands of phone calls from people all over the world that call in to tell us **to continue to do what we do because their lives have been transformed by our programs.** This is the harvest of all the financial support and dedication of those who believe in this Ministry. This is why we felt led to encourage you by sharing these testimonies with you.

Our prayer for you dear partners is this: **that the Lord will give each one of you a special revelation of just how many souls are still lost today.** We must win them for Jesus! By joining together with us and continuing your faithful support, we can press on together and depopulate hell and populate heaven! This is possible only if we stand shoulder to shoulder, heart to heart. **YOU are part of the great harvest of souls that have come to know Jesus and their Savior, and of the ones that will enter into the Kingdom of God.** We do not take your support and your prayers lightly! WE pray for each and every seed that comes into this Ministry. We bless your finances, your homes, your marriages, your families and your possessions!

Your Brothers and Sisters in Christ,

John & Alexandra and the JMM team
