June 2017

Dear Partners,

Summer is right around the corner and so much activity is surrounding JMM! It's so exciting to see all the doors that God has been opening up so far this year. He never ceases to amaze us with the opportunities that He gives us to minister the Gospel to depopulate hell and populate heaven! John has just returned from yet another successful overseas trip which would be his second this year. The Lord opened the door for him to go to Stockholm and Hassleholm, Sweden. He held 7 healing/teaching meetings during these 10 days in Sweden and there was an incredible response to John's teaching on faith and speaking the Word of God. His first Sunday was in a Romanian-Swedish church that he had never visited before. The Lord put on his heart to teach on forgiveness and how to apply the Word of God to their lives. Many people were set free from unforgiveness which led to Communion. They began to understand the power of forgiveness as it relates to taking Communion. He explained that forgiveness brings healing and healing brings life. And the most exciting thing was that several people gave their hearts to Jesus for the first time! John's second week was spent in Hassleholm where he hosted 3 powerful Bible study and prayer meetings. He continued with the teachings of the Power of the spoken Word and how to apply it to their lives. God performed many healings throughout this trip and many came to a relationship with Jesus!

We are so grateful that the Lord has opened numerous doors so far this year and we are anticipating even more opportunities this summer. We will keep you posted on John's upcoming trips. Please keep us in your prayers for His perfect timing and safety for all the upcoming missions, especially in the times we're living in today.

John prayed for many people on this trip but one brother in particular suffered from terrible, chronic migraines. After praying once, the man felt a little better but still in pain. They prayed again and John began to take authority over the sickness with boldness, speaking the Word of God and commanding that pain to leave him completely. Moments later he was completely healed and is still healed today! Our God is still performing miracles! The Holy Spirit gently reminds us that if He healed this brother from this chronic migraine, He can do the same thing in our lives. Some of us may not need physical healing but we need healing in our families, our marriages, growth in our businesses, restoration, deliverances or emotional healing. We can't get discouraged if nothing happens the first time we pray. Sometimes healings and miracles happen instantly and other times they take awhile. We have to learn to pray with expectation and continue to be persistent in our prayers until we receive our miracle. We have to use the Word of God in our prayers! Satan hates the Word and the Word is our weapon to defeat him! Regardless of what we see with our eyes God can supernaturally can change our circumstance overnight. In Matthew 8:13 Jesus told the centurion that the healing he requested would be granted to him as he believed. His unwavering faith caused him to say this, "But only speak the Word, and my servant boy will be healed (Matthew 8:8)."

We are also currently working on new television programming and we are asking for God to give us new revelations to minister to the body of Christ. Phone calls continue to pour in 24 hours a day, 7 days a week from people all over the world who are experiencing the love of Jesus through our television and YouTube programs. Many are being delivered from bondages and strongholds in their lives. Marriages and families are being restored. The Lord continues to use our television programs as a tool to reach the Romanian population all over Europe and other parts of the world. Our main focus on our programs is teaching people how to apply the Word of God in their lives because we know that faith comes by hearing and hearing by the Word of God.

Lastly, during the month of June we will be purchasing our teddy bears for the Christmas project. Please continue to keep our Children's project in your prayers! We have some funds for the teddy bears but we are still short! At only \$.70/each, we have found an incredible deal from a vendor on the west coast and teddy bears have to be purchased soon so they can be shipped overseas. Most of our partners are familiar with our yearly outreach at Christmas where we put together packages for impoverished children in remote areas of Romania. This year is our biggest yet!

We believe for **4000 teddy bears** this Christmas. While we don't have the finances in the general budget yet, we know that God will make a way! We're asking you to partner with us for this great project. Aside from teddy bears, we will be collecting toothbrushes, combs and various school supplies from America. Eventually we will begin purchasing the chocolate and cookies from Germany towards the fall months. If you believe that the Holy Spirit is leading you to be a part of this project, please be obedient. No matter if the Lord puts on your heart to buy 100 or 1000 or any amount, your support is appreciated. You can help bring a smile to an innocent child at Christmas this year.

You've probably heard us say this over and over in our newsletters and programs and we cannot stress this

enough, your financial support makes it possible for all this to happen. You are supporting our prayer line to be answered 24/7 as we pray life and hope to hurting people, depopulating hell and populating heaven, feeding the hungry, clothing the naked and loving innocent children. There is so much to be thankful for because we see the activity of the Holy Spirit moving, transforming and renewing people **every single**

day. You are such a big part of JMM! Thank you for those of you who stand together with us, shoulder to shoulder, heart to heart. Your faithfulness to this Ministry is so very important to us and we will never be able to express our thankfulness in words.

Many Blessings,

John & Alexandra and the JMM team
