Dear Partners,

May 2019

**“My people are destroyed for lack of knowledge.” (NKJV) Hosea 4:6**

The Hebrew meaning for the word “destroyed” is “**cut off**”. So in other words, God’s people are cut off from the blessing because of lack of knowledge. If you are not connected with or do not have knowledge of the Word of God then you will not know the blessings that belong to you.

When we lack knowledge from the Word then we give room to doubt and unbelief to come in.

Unbelief works in our life when there is not enough knowledge from the Word. Unbelief can also bring ignorance. When we become ignorant to the Word then we cannot release the blessing that belongs to us. **When we have enough knowledge from the Word, we know that the only way to release our blessings is by speaking them!**

**In order for this to happen we must accept the Word of God as absolute truth.**

***“Every Scripture is God-breathed (given by His inspiration) and profitable for instruction, for reproof and conviction of sin, for correction of error and discipline in obedience, [and] for training in righteousness (in holy living, in conformity to God’s will in thought, purpose, and action)” (AMP) 2 Timothy 3:16-17.***

When we believe that the Word of God is absolute Truth, then we can begin to take action. **Faith is an action; it is not just a hope.**

**Faith is always a movement or an action of God in our life.** Faith will turn into miracles and blessings over our business, over our household, over our finances, over every situation that we are confronted with. When we put our faith into action, it releases the blessings of God as healing, deliverance and freedom. ***“By faith we understand that the worlds were framed by the word of God, so that the things which are seen were not made of things which are visible.” (NKJV) Hebrews 11:3.***

Most of the people that call our prayer line or contact us through email after watching our telecast have been touched by the Word that was spoken over them. As many of you know, John ends each program with prayer by sending the Word of God over every viewer watching the program according to Psalm 107:20, **“He sent His word and healed them, and delivered them from their destructions.” (NKJV)** Throughout the years we have received hundreds if not thousands of testimonies from people who have received their healing and deliverance through the spoken Word from a program **as they were watching.**

They have testified how God manifested His power by healing and delivering them or by receiving the peace and freedom in Christ which they had been searching after their entire life.

**When we receive the Word of God and believe it, we begin to experience the miracles from the Power of the spoken Word of faith. Romans 10:17, “So then faith comes by hearing, and hearing by the word of God.”**

Sadly, some of the reports that come back to us from people who have been touched, healed or delivered are not always positive. Unfortunately, because people have neglected the Word and have stopped their communication with God, the very thing that they had been healed of had returned. In some cases the infirmity they were healed from or the situation they were delivered from had come back even worse.

That's why is it so important to really **know** the Word of God so that we, God's people, are not cut off from the blessing that belongs to us. The Word of God must become part of us; it must become part of our daily life. As Jesus said, **“I am the bread of life”** (John 6:48).

Has God performed a miracle in **your** life? Have you been set free and delivered? **What has your relationship with God been like since you received your miracle?** There comes a time in our life when we must all ask ourselves this question. It's a serious question that puts things into perspective and it demands an answer. *Only you can answer it.*

In the month of April, John was on a mission trip for three weeks to Italy and different parts of Romania. He ended his journey Romania's capital, Bucharest. There is much brokenness and hopelessness that people are facing in the world. It doesn't matter how rich, powerful or influential people are, if they don't have Christ, they are broken and need help. During this mission, John held meetings every night where he met many, many new people throughout his trip. He had requests from people to be baptized and asking Jesus to be the Lord of their lives! Many of those people were viewers of the two major networks in Europe that our programs are aired on. Some of them were introduced to our programs through friends or family. **Regardless of which walks of life they were from, people were responding to the message of the Word with gladness in their hearts and total repentance. We give God ALL the glory for that!**

**Preaching the Gospel around the world is free but it takes finances to take the Gospel there.**

We don't want to end this newsletter without THANKING every one of our partners who have started **sending their seeds towards our new equipment!** Most of you already know but we are believing God for new, HD equipment so that our programs can reach to the farthest ends of the world! Every seed sown into this Ministry will yield a harvest! We are here to stand with you and believe God with you for **your** every need!

*We thank God for each one of you who have been so faithful in this Ministry.* Whether you have prayed for us, believed God for miracles with us or have supported us financially, you are a blessing to us and for the Kingdom of God.

*We thank God for your obedience partners!* Because of **you** we are able to take God's uncompromised Word to the ends of the world and reach the forgotten for Jesus. We are winning souls for God's kingdom together and your harvest is the same as ours!

Sincerely,

*John & Alexandra*
