

Dear Partners,

July 2019

Happy Independence Day!

This month God impressed us to talk to you about the believer's Prayer in Agreement. In the times we're living in, this is what our partners need. The keys to receiving a breakthrough for any situation is standing on the promises from the Word of God **and praying in agreement with someone.**

The prayer in agreement based on the Word of God heals, restores and delivers. Philippians 2:2 says, "**Fulfill my joy by being like-minded, having the same love, being of one accord, of one mind.**" That being said when we are in one accord Ecclesiastes 4:9 tell us that, "**Two are better than one, because they have a good reward for their labor.**" The POWER OF TWO.

The only way to come before the Lord in agreement with someone is by having the same desire and vision. Above all, our desires and visions need to be based on the Word of God. The definition of Prayer in Agreement is when two or more believers base their prayers, desires and visions on the Word of God and come into one accord concerning anything. Amos 3:3 asks the questions, "**Can two walk together, unless they are agreed?**" The answer is no. Two people can't walk, pray, or decide on anything together if they are not in agreement.

Matthew 18:19-20 says, "**Again I say to you that if two of you agree on earth concerning anything that they ask, it will be done for them by My Father in heaven. For where two or three are gathered together in My name, I am there in the midst of them.**" You see, when we have the power of **two**, we can bind the resistance that tries to interfere with our blessings. We can bind the power of darkness in the name of Jesus and begin to loose the manifestation of the power of God. Satan hates the power of two in prayer. He would love nothing more than a generic prayer from one person instead of a specific prayer by two or more! He hates corporate prayer because he knows that Deuteronomy 32:30 says that one could chase a thousand but when there are **two**, they can put **ten thousand to flight!**

***The power of the Holy Spirit working in us actually gives us 10 times the strength to fight the enemy!***

At JMM we believe that Prayer is a gift from God. Not just any prayer but specifically the prayer in agreement. Throughout our years of Ministry, there is one thing that has stayed true and steady - that is **prayer**. Without it we would not have been able to move mountains, speak to non-existent things to come to life and experience God's miracles in our life and Ministry. Make sure that after you have prayed in agreement based on Scriptures that cover your specific need that you continue by thanking God. You don't need to see anything happening in the physical world to praise God. You just need to thank Him by faith for all that He is about to do in your life! Something will begin to rise up in your spirit man and your faith will start to increase as you begin to do this!

Last month we told you about a young man in France who was doubled over like the woman in Luke 13. After John prayed in agreement for his healing, he was able to stand up straight for the

first time in over 30 years! But there's more to his story! This precious young man, and new believer, received another miracle. He was scheduled for hip surgery last month because for the last 13 years his hip bone was being eaten away due to his posture. He decided to go in and have the doctors take another x-ray of his hip after the prayer in agreement. To the doctor's surprise, there was NEW bone in the place of the old and he no longer needed a hip replacement! God is so good! We praise Him for this created miracle! We have received pictures of the x-ray before, when it was eaten away, and after. And you can **clearly** see that he indeed received a new bone!

Even though John was able to pray for that young man in person, there is no distance in the spirit and no distance in prayer! John received a phone call from a dear partner overseas who was scheduled for a kidney stone operation. He prayed the prayer of agreement based on the Word of God and sent Psalm 107:20 over her, **He sent out his word and healed them.** John commanded for that stone to dissolve and disappear. After they prayed together, she kept onto her healing and believed that the kidney stone was gone. She went in for the operation and asked if the doctors could do another x-ray before they started. They refused because they were sure the stone was still there. During the operation, they couldn't find a single stone in her kidneys anymore because the power of God had healed her completely! We give God the glory and the honor and praise for this miracle and countless others that we have witnessed in this Ministry.

YOU are the biggest part of this Ministry! Without your prayers and financial support, we would not be able to receive these phone calls or produce programs that are viewed all over the world. **You make it possible for hundreds of thousands**, possibly millions, of people to have access to the uncompromised Word of God through JMM's television programs, newsletters and through our 24 hour prayer line. **Thank you to all of our faithful partners who came together** for the new camera equipment! We were able to purchase the cameras and we are believing God to have them completely paid off. You can be sure that you have the **same reward and harvest of souls** that we do because you partnered with us to make it possible to purchase this equipment. And because of that, our programs can be sent out to even more stations and come into the homes of even more people who can come to know Jesus and have access to His miraculous power! If you haven't had the opportunity to be a part of this project, there's still time! We encourage you to seek the Lord about partnering with us so that the cameras and equipment can be totally paid off.

It's important to unite with like-minded, Word-based, faith-believing people. If you do not have anyone like that to pray in agreement with, then you can always call JMM or many other prayer lines across the US. Some prayer lines are available 24 hours a day, 7 days a week. Do you have a specific need in your life? Give us a call today. You are one phone call away from prayer in agreement. We will stand together with you, believing God for your breakthrough. Whatever your need may be. Do you need a new job? Is your family falling apart? God is ready to listen and come to your rescue! Don't waste another minute trying to fight the battle alone. Jesus taught us that we are all part of the same Body of Christ and we ALL have a part in it!

The Lord is ready to release His blessings on our behalf. All we have to do is pray in agreement, in one accord asking **ANYTHING** in Jesus name and it will be done. Are you ready to receive your miracle?

In His Service,

*John & Alexandra Militaru*
