

Dear Partners,

September 2019

In the last several months the Lord has reminded us of some very significant things. He has also poured out some new revelations that we are excited to share with you in the coming months. The Lord has been instructing us on **how** we are to handle the situations that we face every day. As Christians we know that through Jesus we are overcomers (1 John 5:4) and that He has promised us VICTORY (1 Cor 15:57) over everything in our life. But Jesus *also* said that in this world we would have tribulation (John 16:33). This is where a lot of believers stumble. *Why do I have to face so many trials and troubles in this life, I thought Jesus already took care of that?*

Jesus **did** take care of our troubles and trials, but that doesn't mean our adversary will sit back and let us be victorious without putting up a fight! The Word tells us that our enemy, "Walks about *like* a roaring lion, seeking whom he may devour (1 Peter 5:8)." He's walking around every day seeking someone to take down. Whether it's through discouragement, failure, depression or being overwhelmed by our circumstances, he will fight tooth and nail to get us to our breaking point. That is, if we *let* him.

Satan can't take anything from us that we don't give him. He can't take our health, finances, children, happiness or security if we don't *allow him to*. This is the reminder that we received that we are passing on to you- **The kingdom of God is to be taken by force** (Matt 11:12)! What is the kingdom of God? Romans 14:17 says this, "For the kingdom of God is not meat and drink; but righteousness (being made right with God), and **peace**, and **joy** in the Holy Ghost." When the devil tries to take away your peace, joy, healing or anything else, attack back and demand your God-given rights that JESUS paid the price for. We are not helpless over the situation! Going back to the lion from 1 Peter chapter 5, we have to be on guard to hear the *roar* of this lion which can paralyze us in our tracks. Once the lion paralyzes his prey, then he can devour it. But only *if* we let him.

How do we avoid being devoured? James 4:7 says, "**So humble yourselves before God. Resist the devil, and he will flee from you.**" Humbling ourselves before God requires surrender. When we've given the Lord our situation and surrendered it before Him, we can start to resist the enemy in the area where he's attacking us. Then we can go to the second part of the verse and begin to *resist* him through the power of the spoken Word of God. In order to take the Kingdom of God by force, we have to first surrender our situation before the Lord through humility and then begin speaking the *opposite* of we're facing in the natural. Don't speak what you feel or what you're facing; speak what the Word says!

The key is persistence. If we aren't persistent and determined to stand our ground and speak the Word, then the enemy will strip away everything we give him permission to take. When we are complacent, we grant him permission. The more relaxed we become in our fighting, the more ground satan will gain in our life. Apostle Paul was surrounded by trials and tribulations but this is what he says in 2 Corinthians 4, "**We are hard pressed on every side, but not crushed; perplexed, but not in despair; ⁹ persecuted, but not abandoned; struck down, but not destroyed.**" He didn't lose hope and he *never* stopped fighting.

If we are to be overcomers in this life and *remain* in victory, we must take it by force. Whatever you're facing or whatever the enemy has stolen from you, you have to fight back and take it by force. Is your marriage in trouble? Take it back by force! Demand that satan take his filthy hands off of your marriage and take back what he stole! Are your children in the world, running away from God? Command to the angel armies of Heaven to surround your loved ones and declare the promises of God's Word over them until you see the breakthrough! Are you in need of a job, car or a place to live? Take it by force! You are equipped with the whole armor of God. Take the Sword of the Spirit, which is the Word of God, and stand your ground until the enemy is forced to give it up! Take it back violently and fight for what has been made available to you through Jesus! Healing has been made available to you in Jesus name! Prosperity in your finances has been made available to you in Jesus name! **Victory over your situation has been made available to you in Jesus name. All you have to do is take it by force until it's yours.** We have to walk as though the Lion of Judah stands behind us backing us up in everything we say according to God's Word! *The supernatural is waiting to be released in your life and all you have to do is take it by force!*

We are victorious!

For whatever is born of God is victorious over the world; and this is the victory that conquers the world, even our faith (1 John 5:4).

Thank you to those of you who were a part of purchasing the new equipment! We're still working out some issues and adjusting the programming and sound as we learn how to work with it, but we are so thankful for your partnership! We're working hard to bring you better and better programming with more topics and Holy Spirit-inspired messages. Thank you for being patient with us and for continuing to pray and support us!

At the end of September, John will be taking another overseas trip to prepare for our annual Christmas project. We believe God for a large amount of packages for the children of Romania and we are working hard to get all the items purchased. We'll bring you more details in October after John's return. During this trip John also has back to back meetings scheduled with many new people and especially with unbelievers who are anxiously waiting for his arrival. We're expecting miracles and souls to be added to the Kingdom of God!

When you partner with this Ministry, you are a part of the miraculous work that goes on in the lives of those who have been restored and set free!

In Christ,

John & Alexandra
