

March 2021

Need Prayer? Call us at 530-520-2717

Hello dear Friends!

We've entered into the month of March and many of us around the nation and the world are starting to see the weather changing which means Spring is on the horizon! Spring is such a beautiful time of the year. It's a time of change, growth and new beginnings. Most importantly it's the time that we celebrate the death and glorious resurrection of Jesus Christ! Soon everyone will be getting ready for Easter on Resurrection Sunday. As we enter into this Easter season, we need to remember that our HOPE is in Christ and in His victory over death. If Jesus had not defeated death on the cross, we would have no victory and no hope of Everlasting Life.

They took palm branches and went out to meet him, shouting, "Hosanna!" "Blessed is He who comes in the name of the Lord!" "Blessed is the King of Israel!" John 12:13

When the people laid out palm branches and went out to celebrate Jesus on what we call Palm Sunday, they were actually declaring VICTORY. In Bible times, palm branches symbolized victory, triumph and peace. Secondly, they were triumphantly shouting, "Hosanna!" which means *save, rescue, savior*. If people in those times prophetically declared victory even before Jesus had gone to the cross and was raised back to life, then how much more should we declare VICTORY over every area in our lives today?

Last month we talked about holding tightly to the hope we have without wavering (Heb. 10:23) because we know that God is faithful to His Word and He WILL come through for us. The hope we have in Christ comes only from the VICTORY Jesus had on the cross. Without that, there would be no hope. Without the cross and victory over death, we would not have hope for an eternal life with Jesus. Our entire existence as born again believers in Christ is because He conquered death on a cross and took away all sin and the requirements of the law. In return, He only asks that we accept Him in our hearts as Lord and Savior of our lives and believe in Him. Knowing that Jesus is for us and that our hope is IN HIM, we need to let go of all doubt, unbelief, worry and hopelessness which all stem from fear.

You may be thinking, *I don't have any fear*. We aren't talking about the kind of fear where someone tries to break into your house at night and rob you. We are talking about the fear that comes from doubt, unbelief and worry. When we worry, we are operating in fear. Our dear partners, if this is you, you are NOT alone. We receive countless phone calls from people all over the world who are overcome by worry and then become fearful of the future. They begin to doubt God's plan for their lives because certain things haven't happened yet. As we watch, the world is moving more and more into a one world order; however, we should feel honored and privileged that God chose us for this time to be difference makers! It's scary to see our freedoms being taken away day after day and our world changing so drastically, but it is no accident that we were made for this time! We can either spend our time thinking and speaking words of fear, doubt and unbelief which cancels out faith or we can spend our time in the Word, thinking on it and speaking it over our lives and walking in VICTORY. *So then faith comes by hearing, and hearing by the word of God. Romans 10:17.*

Fear has no place in the life of the believer. Fear and death have no power over us anymore because of what Jesus did on the cross. First Corinthians 15:55 says, "O death, where is your victory? O death, where is your sting?" You see, when Jesus overcame the cross and conquered death, He killed the root of fear. The root of fear is death. **If Jesus conquered death, what is there to fear?** Jesus now holds the keys to death and hell (Rev. 1:18). God IS in control and He WILL come through for you even if it seems hopeless and impossible. Even if it seems like nothing is going in the right direction for you or your family, God is at work behind the scenes. Nothing is impossible with God (Luke 1:37). He will come through for your job, salary increase, marriage, kids, finances, businesses, unsaved loved ones, healing or whatever situation you find yourself in. Also, parents of young children, do not fear the future of your kids! Your kids were born and made for this time and our job as parents is to feed their spirit man with the Word of God and prepare them to be difference makers.

By consistently feeding yourself with the Word of God, you will begin to see yourself in victory. You ARE victorious already because you see yourself through the lens of the Word of God. You see yourself victorious because Jesus already conquered it all on the cross!

"When He had disarmed the rulers and authorities [those supernatural forces of evil operating against us], He made a public example of them [exhibiting them as captives in His triumphal procession], having triumphed over them through the cross." (Colossians 2:15 AMP)

Through Christ, you are victorious in every area of your life! When the enemy points out your weaknesses or past sins, you use the Word and remind him: "I am a child of God, redeemed through the blood of Jesus! Remember, the enemy is the father of lies (John 8:44) and he'll do everything he can take you off course, using any tactic he can until he knocks you down. That's why it's so important to feed on and speak the Word of God DAILY until the lies of the enemy are silenced. We receive hundreds of phone calls, emails and letters every month from people who have gotten a hold of our programs through Youtube or on TV and have testified that they are no longer living in fear, doubt, unbelief and hopelessness (1 John 4:8). These testimonies are incredible because we know that the Word of God has power WHEN we use it. By consistently feeding on the Word, people are changing their way of thinking and speaking and beginning to feel the complete peace and pure joy in the Holy Spirit (Romans 14:17). But we can't expect the Word to work if all we're doing is reading words on a page that have no value to us. **What value do you place on the Word of God?** Does the Word have number one priority in your life? If so, you must SPEAK the Word as if it holds the **highest value** - above everything else you hear or see in the natural. God's WORD is alive!

Dear friends, we so value your partnership in this Ministry! Your continued and loving support both in prayers and financially is so valuable to us and we are so thankful for YOU! Because of you, we can continue to spread the Gospel around the world and see the power of the Word of God save, heal and deliver people. Please continue sending us your prayer requests and praise reports! We pray over each one of you daily and we are so grateful to be a part of this great harvest together with you! We pray, as we enter into this Resurrection season, the Lord will open up a season of hope, growth and new beginnings for you. Continue speaking the Word and declaring VICTORY over every area of your life!

In His Service,

John and Alexandra
