

God is Still in the Business of Miracles

July 2023

Happy 4th of July! This month we celebrate Independence Day here in America! It's been 247 years since we gained our independence from Great Britain, and not one day goes by that we don't thank God for the freedom we have in this Country! We never take our freedom (especially religious freedom) and independence for granted because we know God freed us from bondage and persecution over 40 years ago when we were living in Romania during communism. God is the ultimate giver of freedom. Freedom was and still is His purpose for every believer (John 8:36). God wants His children to be free from mental, emotional and physical bondage and to live life in spiritual freedom to the fullest.

The Spirit of the LORD is upon Me, Because He has anointed Me To preach the gospel to the poor; He has sent Me to heal the brokenhearted, To proclaim liberty to the captives And recovery of sight to the blind, To set at liberty those who are oppressed. Luke 4:18

Preaching the Gospel, healing the brokenhearted, proclaiming liberty and freedom, and setting the captives free is exactly what the Lord has been doing through this Ministry since 1990. It's no wonder the Lord put us under a television ministry before JMM was founded because now through our television programs on YouTube, an international satellite network (INEDITV), and Facebook lives, Romanians all over the world are able to connect with this Ministry. This has become our virtual church in the last several years. Through this virtual church people are hearing the Gospel message of salvation and being transformed, delivered and set free. Because of this our prayer line has grown tremendously and people who are calling in for prayer are being saved, healed, and restored! Our virtual church is growing rapidly as a great and mighty army of Christ! We see an increase of requests for Bibles and to be baptized in water.

Last month, John and Claudia went overseas to visit our virtual church in Romania, Germany, and Austria. Our main purpose was first and foremost to spread the Gospel message of salvation everywhere we went. As a result of preaching the uncompromised, unaltered message of salvation, people received healing from mental, emotional and physical illnesses. Many who suffered emotionally and struggling with depression, oppression and suicidal thoughts were set free and delivered. Others wanted special prayers from effects of the covid vaccine or post covid side effects. Not only were people receiving deliverance during this trip, but many were **testifying** how the Lord had set them free after a simple prayer in agreement over the phone or during John's last overseas trip. As these testimonies were coming in during these services, faith was being stirred and many were being healed and set free at the same time (Romans 10:17). The presence of God was so heavy in each meeting John held. We don't take this lightly! God is alive and miracles ARE STILL happening today! This is ALL for the glory of God and we're so honored to be used by Him!

Jesus Christ is the same yesterday, today, and forever. Hebrews 13:8

Just a few days ago we received a video of a sister in Christ testifying in church of how the Lord touched her at one of our meetings this year. Almost 2 years ago she lost her taste and smell from covid. In the video she testified that during John's preaching he said, *if you call on the name of the Lord, you will be healed*. These words stuck with her until the end of the message. At the end, John prayed and had the people renounce and speak to their sickness to leave their bodies. This precious lady repeated after him and spoke to her sense of smell and taste to come back in Jesus name. Immediately she felt her nasal passage opening up but she thought it was just from crying. The following morning when she came out of her bedroom she smelled the strong smell of coffee for the first time in almost 2 years! She kept this to herself until she began to smell different things around the house including butter while making her kids' sandwiches. She realized then that the Lord had healed her senses and called another sister in the church crying and testifying how Jesus had truly healed her! This woman dared to believe God and His Word at face value. She wasn't moved by what she felt, she was moved by the word of her testimony when she repeated the words after John (Revelation 12:11).

There are so many other testimonies that we could tell you about but we know this, many, many people were healed from depression, oppression, suicidal thoughts, cancers, and many other illnesses in the body. At the same time we received a lot of opposition from those who didn't believe in the power of healing. Sadly, some didn't understand or believe that we are overcomers by the blood of the Lamb and the word of our testimony (Rev. 12:11). But this did not stop John from preaching the uncompromised Gospel of Christ. He continued teaching and encouraging people to use the power and authority they have in the name of Jesus (John 17:2). He also taught people that they cannot speak blessing and cursing out of the same mouth (James 3:10) because life and death is in the power of the tongue (Proverbs 18:21). For many this was a new way of thinking because this is not a common teaching in many churches, especially in the religious churches in Romania. Sadly, many believe that Christians should be sick and poor. But we are no longer under the curse of the law! We've been redeemed, praise God (Galatians 3:13)!

Dear partner, you played a big part in this trip also. Your support in this Ministry makes you a *partaker* of every healing, every deliverance, and every life that was given to Christ because of the work here at JMM. Thank you to all of you who supported us in prayers, checked in to see how Alexandra was doing, and how John and Claudia were doing on the road. Thank you for all your sacrificial financial support! We are still believing God for all our needs to be met and all our bills to be paid this month. When you sow into the good ground of this Ministry, we encourage you to sow with faith and expectation. We are also believing God that all *your bills and your needs will be met as well!* Together we make up the body of Christ. Don't ever forget that you are a BIG part of this work and without you; we could not reach souls for the Kingdom. Like we said last month, *you* are a vital part of JMM and partakers of the blessing that abounds in this Ministry! Your prayerful support and sacrificial giving is a *"fragrant offering, an acceptable sacrifice, pleasing to God."* And because of your obedience to partner with us in the spreading of this Gospel, *"My God will meet all your needs according to the riches of his glory in Christ Jesus."* Hallelujah! (Philippians 4:19). We love you and we bless each one of you!

In His Service,
John & Alexandra
