

## ***Praise the LORD, all you nations. Praise him, all you people of the earth (Psalm 117:1)!***

Praise the Lord, all you partners!

May 2024

We're so excited and fired up about what the Lord has been doing! Friends, the Lord is using us and YOU mightily in this great work together for His glory. Now that's something to get excited about! When we all believe in the same vision and **partner** together, God moves in miraculous ways. You are such an important *part* of this Ministry and in what God is doing in the lives of so many people all over the world, especially in the Romanian community. Your financial and prayerful support in JMM literally empowers us to spread the uncompromised Gospel on different platforms to those who are hurting, lost, and unsaved. This friends, is the Great Commission that we are ALL called to fulfill (Matthew 28:16-20)!

You might be wondering what we're so excited about. We've been receiving so many phone calls and messages from people watching our programs on different platforms that are being touched, healed, and set free! Also, coming back from another powerful overseas ministry trip and seeing the countless lives that are being touched by JMM firsthand, gets us excited! When you go firsthand to see the ones that have been truly touched by JMM, it gives us a living confirmation and a sense of awe, that through this Ministry and with partners like you, we are depopulating hell and populating heaven! To know that the Lord has chosen us, entrusted us, and given us the honor of bringing the Gospel to people around the world is such a powerful mandate! We know it's not because of *us* or because of anything we've done to deserve it. It's because God is no respecter of persons (Acts 10:34), and He chooses the foolish things of this world to put to shame the wise (1 Cor. 1:27), so that He can receive all the glory and praise, hallelujah!

*And He said to them, "Go into all the world and preach the Gospel to every creature. 16 He who believes and is baptized will be saved; but he who does not believe will be condemned. 17 And these signs will follow those who believe: In My name they will cast out demons; they will speak with new tongues; 18 they will take up serpents; and if they drink anything deadly, it will by no means hurt them; they will lay hands on the sick, and they will recover."* Mark 16:15-18

One powerful testimony we want to share with you (which you can view on YouTube), is from a precious sister in Christ that John prayed with last year in Romania. She had been suffering from severe Psoriasis (a skin condition) for over 6 years. Her Psoriasis had gotten so bad on her feet that she couldn't even walk from the pain. John said a simple prayer for her in agreement for that disease to dry up from the root. *She testifies that she took those words at face value and believed God at His Word in that moment.* An expectancy to be healed rose up in her spirit, faith started working in her, and was completely healed! On this last trip, while visiting her, we were able to record her testimony. Praise the Lord!

Earlier this year we received a phone call from a brother in Christ crying for joy on the other line to tell us about the miracle he received. He told us that he had been suffering from a terrible pain in his shoulder which made him unable to lift his arm even to his mouth to eat. His children were so desperate to get him help, they took him to therapy, doctors, etc but nothing was working. Because of his age and health condition (diabetes) the MRI showed that the torn tendon was too fragile to operate

on. One night, in desperation, he watched one of our programs where Brother John said, “Put your hand on your body where you have pain because **I’m going to believe with you for your healing.**” He put his hand on his shoulder and in agreement he repeated the prayer after Brother John. He said he literally felt a hand on his shoulder (which he jokingly says was Brother John’s hand), but in reality, we know that it was the hand of God touching him. At the end of the prayer, he calmed down and fell asleep. The following morning He woke up and was completely healed! He was able to raise both arms up high in the air without any pain crying and praising the Lord! On this last trip, John was able to visit him and record his testimony. Even when John was visiting him, he was still crying for joy and saying, “How can I not praise God?” Praise the LORD!

*Then the disciples went out and preached everywhere, and the Lord worked with them and confirmed his Word by the signs that accompanied it. Mark 16:20*

Miracles are still happening today, friends! There are so many other testimonies that we receive throughout the year. Sometimes we don’t hear back from those who were touched by God and we may never know how many people were healed emotionally and physically by the power of God, but we know that God is still moving in miraculous ways. For those who still don’t believe that God performs miracles today, we’re here to tell them that He still DOES because our God is alive and well! We purposely shared these two powerful testimonies with you to show and encourage you that when you’ve done everything you can do in the natural world (money isn’t working and man has failed), you have to believe God’s Word at face value. Just like Peter told the lame man in Acts 3:6, “*I don’t have silver or gold for you. But I’ll give you what I have. In the name of Jesus Christ of Nazareth, get up and walk!*” Later in the chapter, Peter says this to the crowd, “*Through faith in the name of Jesus, this man was healed- and you know how crippled he was before. Faith in Jesus’ name has healed him before your very eyes (v.16).*” The lame man believed God at His Word and received his miracle in that very moment, hallelujah!

It’s so encouraging to know that everything we’re doing here together is furthering the Kingdom of God and bringing more people to the Lord through these miracles. So thank you friends, for believing in the vision that God gave us over 35 years ago and standing together with us. Remember, you are **partakers of this harvest** with us in fulfilling the Great Commission.

There were so many other testimonies we can write about, but there isn’t enough room in one letter! Many people were delivered from bondages of fear, emotional heaviness, countless were healed in the body, a handful were baptized in the name of Jesus, and most importantly, people were saved. We want to encourage everyone, especially if you are one of those individuals who were healed during one of our meetings or programs, hold onto your MIRACLE! Remember that satan will try to steal your healing or your miracle, but you need to stand firm (Eph. 6:13), and tell the enemy he has the wrong address! You have to be so determined to hold onto your miracle, that satan won’t be able to pry it out of your hands no matter how hard he may try. Your miracle belongs to YOU, don’t let the devil steal it from you! Don’t forget to call or write to us if you have a special prayer request so we can stand in agreement together with you for YOUR miracle!

In His Service,  
*John & Alexandra*
