

Dear Friends and Partners,

Praise the LORD, all you nations. Praise Him, all you people of the earth (Psalm 117:1)!

The heart and soul of this Ministry is to see hell depopulated and heaven populated! There are throngs of people searching for answers, attending church and coming to know the Lord like never before, even in the midst of all the evil that surrounds us. People are searching to fill the emptiness inside their lives and Jesus is the only answer. Revival isn't coming; revival is here. There is revival happening all over the world today! To be part of this great harvest is the air that we breathe, the fuel in our gas tank, and the blood that runs through our veins, partners! Even this small Ministry that you have chosen to partner with has made a mark on all generations of people, both old and young and in between! This is what we live for and why we live- to know Christ and to make Him known (Phil. 3:10)!

Thank you for being part of this great harvest! God has chosen all of us for such a time as this, and the Word says that the harvest is great, but the laborers are few (Matthew 9:37). You may never hear the phone calls and prayer requests that come into this Ministry, but you are a part of every single one of them. Because of your faithful support, both prayerfully and financially, we are able to reach lost souls with the Gospel, especially on our YouTube channel, all over the world.

The question is this: **is the body of Christ ready and equipped for the great harvest of souls?** As seasoned believers, we should be the ones leading the revival, not just sitting on the sidelines as bystanders or critics. And in reality, we should be discipling these new believers and strengthening them in the Word so they can know their true identity in Christ Jesus and continue the good work. Sadly, a lot of churches aren't teaching or equipping Christians for the work that's ahead of us. The only way we can help these babes in the Lord is if we, ourselves, are completely separated from the world's system and living an uncompromised life set apart for God built on the Solid Foundation (the Word). Our thoughts, our vocabulary, our lifestyle needs to be completely different from those in the world. As Christians, we need to come to the conclusion to live wholly sold out for Christ and work to further the spreading of the Gospel above everything else. King Solomon is known to be the richest man who ever lived who denied himself no earthly pleasures. At the end of his life, he reflected back on his life and realized it was but a vapor (Ecc. 1:2). **He said, I observed everything going on under the sun, and really, it is all meaningless—like chasing the wind** (Ecc. 1:14). If King Solomon came to this conclusion, why do modern-day Christians strive so hard to chase after all these meaningless "treasures" (Matt. 6:21)? Rather, we should be striving to further His Kingdom,

storing up treasures in heaven, and well equipping our spirit-man to withstand the wiles of the enemy in the days ahead (Eph. 6:11).

We know that there is a real war between good and evil. We've especially seen the effects of it in the last few weeks with the murder of Charlie Kirk. Friends and partners, this is nothing new. This has been an ongoing battle in the world for millennia, since the days of the Apostles who were martyred for their faith in Jesus Christ. In some parts of the world, people are being beheaded, killed, and burned alive for their faith in Christ **as we speak**. Alexandra and I escaped Romania at the height of communism for this very reason. But we weren't afraid to proclaim the name of Jesus and stand up for our faith in Him! We were ready to die for our faith at any moment! The same evilness that existed then, exists now, but in a modern way in the free world. That's why we must be ready and well prepared for the warfare that's opposing the spreading of the Gospel and able to equip and support the new believers coming to the Lord, so we can take our place in this great revival! We cannot allow fear, worldly distractions, or discouragement to deter us in any way. We should be so penetrated and transformed by the Word of God (Romans 12:2), that we can stand unashamed before any man and proclaim Christ Jesus as Lord (Romans 1:16).

...Be ready always to give an answer to every man that asks you a reason of the hope that is in you with meekness and fear (1 Peter 3:15).

We want to leave you with this salvation praise report to encourage you and show what YOU are part of when you partner with this Ministry! We hope this encourages you and fires you up as it always does for us when we receive these praise reports! This is what we live for, friends!

A man called to tell us that he had been watching our program for about 2 years and how much they have transformed his life. Unfortunately, years ago, he was left disabled and paralyzed from the waist down after being hit by a drunk driver. He fell into severe depression and became very suicidal. Somehow, he came across our daily television programs on a local cable channel in his remote village and received Jesus as His Lord and Savior. Praise the Lord! He no longer wants to take his life and is serving the Lord with his whole heart! He asked the Lord to send someone to baptize him in water because there was no local church in his area. He was so excited to let us know that he sealed his commitment to the Lord when 3 missionaries from England came to baptize him in water. He was so grateful to be able to talk to John personally and share this testimony with him. We are still so amazed that this ministry reaches remote areas where there's no local church, but the Gospel is still being preached through the airways. Let's continue to depopulate hell and populate heaven one soul at a time, partner!

In His Service,
John & Alexandra
