

Oh that men would praise the Lord for his goodness, and for his wonderful works to the children of men! And let them sacrifice the sacrifices of thanksgiving, and declare his works with rejoicing. Psalm 107:21-22

Praise the Lord for His goodness and Happy Thanksgiving, partners!

First of all, as we enter into this Thanksgiving (here in the US) and holiday season, we want to thank you, partner, for your faithfulness, and for choosing to be a *vital part* of this Ministry here at JMM. We're so honored that He handpicked you and I, partner, to carry out his wonderful work together for His glory! Together we are the hands and feet of Jesus! Some of us are called to evangelize, some are called to intercede and pray, some are called to serve, some are called to sponsor and uphold financially, while others are called to encourage and exhort. No matter what we've been called to do, we're all part of the same body, the body of Christ, with Jesus as our head, to complete the main mission here on earth: depopulate hell and populate heaven one soul at a time!

Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age. Matthew 28:19-20

The Lord has called this Ministry to first, and most importantly, preach the true message of salvation. We have been uniquely called to reach the Orthodox and Catholic communities in Europe with the Gospel message. But our mission doesn't stop here! Once people are brought out of the kingdom of darkness and into the Kingdom of light, we are here to disciple and equip them to make them strong soldiers in the army of God. This is what you're part of, dear friend. That's why we're so honored and grateful that the Lord opened another door these last couple weeks for John and Claudia to travel overseas to bring new believers to Christ and continue to disciple others. Along with the message of salvation, we continued teaching them what true forgiveness is. We explained to them what their new divine identity is in Christ Jesus so they can walk in their God-given calling. We showed them through the Word of God, that included in their salvation package they have the right to be healed and to continue walking in divine health. We taught them how to apply the Word of God in their everyday lives and in their prayers. We explained to them that life and death are in the power of their tongue (Prov. 18:21) and that their words matter. And we equipped them with the fundamental truth of the **believer's authority** and how to use it so they can overcome all the wiles of the enemy (Eph. 6:11) and how to break off generational curses and strongholds from themselves and their families.

Ephesians 6:10-13 comes alive when we're ministering to people:

Finally, my brethren, be strong in the Lord and in the power of His might. Put on the whole armor of God, that you may be able to stand against the wiles of the devil. For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places. Therefore take up the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand.

It's sad to know that many modern churches aren't teaching the body of Christ to put on the whole armor and fight against strongholds and struggles, sicknesses, and infirmities. At JMM when we teach that miracles still happen today, and as a result we see lives changed and transformed. Seeing and hearing people from all walks of life sharing how the Lord changed their lives through this Ministry's teachings in one way or another is so uplifting and encouraging. It confirms what God has called us to do and we're excited to share with you these testimonies from our trip so that you can be encouraged to know what you've been a part of.

During our first weekend in Romania at one of our first meetings, a young woman came to the prayer line to tell us that if it wasn't for Alexandra answering the prayer line several years ago, she would not be alive today. She told us that she was suicidal and the Lord set her free during that call! She wanted to thank us for allowing God to work through us. At our next meeting a soon to be grandmother testified of how we prayed with her a year ago for her daughter's womb to open up to carry a child full term. Before we prayed with her, her daughter had 11 miscarriages, but she told us that her daughter is 7 months pregnant now! There were many other moms that came up to testify how the Lord opened their wombs and now they have children. Throughout this trip we saw so many people set free from bitterness and resentment that led them to unforgiveness; some hadn't even realized they were holding on to unforgiveness until the Holy Spirit searched their hearts during John's messages. They testified of how free they felt afterwards and said it was like floating on clouds. We also met many viewers (from our TV programs) who were excited to come meet us in person and be prayed over. John had the privilege of baptizing 4 new souls (3 of which were saved through our TV programs). This shows us how our Holy-Spirit programs are changing lives every day! Many of you may not realize this, but our TV programs are played 3 times a day, 7 days a week on a secular Romanian network. We give God all the glory and praise that this door was opened to us years ago!

Another viewer found out that John was speaking at an evening service near her and decided to come because she needed to be set free from heavy depression. It seemed like satan and his army tried to keep her away from coming because there were so many obstacles in her way (heavy rain and GPS issues)! At one point she almost turned around because she was one hour late, but she told her husband she's determined to go in there and receive prayer to be free from depression. When she came up for prayer, she literally felt the demon of depression leave her! There were so many other testimonies of people getting healed of back, neck, knee, and leg pain, shoulder and hip pain, headaches, arthritis, and so on. God was moving powerfully among those who received healing without any doubt or unbelief in their hearts. It's evident that faith as small as a mustard seed is enough to see miracles in people's lives (Matthew 17:20)!

We give God all the glory and praise for what He has done through this last trip and Ministry! And hearing the testimonies on this last trip is evidence that what we're doing together is changing lives. It's all worth it, friends and partners. Thank you for your obedience in partnering with JMM and seeing the vision of this Ministry. This is what we live for! This is what God has called us to do- to bring the uncompromised Gospel of Jesus Christ and equip people to stand against all the powers of the enemy. And you, partner, are a vital part of our mission and our calling. This is the fruit of **our labor** together! Praise the Lord for His goodness and His wonderful works to the children of men!

Happy Thanksgiving from our family to yours,

John & Alexandra
